Appraisal

- A full VA Appraisal is required on all loans. Loan amounts > \$2,000,000 also require a satisfactory Collateral Desktop Assessment (CDA). Plaza will order the CDA upon receipt of the appraisal.
- 442/1004D is required on all appraisals subject to completion. Plaza does not accept a lender's certification of completion.

Notice of Value (NOV):

- The required NOV for property appraised as existing, new, proposed, or under construction, is valid for 6months.
- Loan amounts > \$1,000,000: Request a certified appraiser when requesting the appraiser assignment from VA.

Plaza aligns with VA policies that enable VA-designated appraisers to rely on third-parties for appraisal related information.

Transferred Appraisals: Per VA Guidelines

Note: When both lenders participate in the Lender Appraiser Processing Program (LAPP), an appraisal report and case number may be transferred in WebLGY from one lender to another lender. A Staff Appraisal Reviewer (SAR) at the original lender can complete this transfer in WebLGY. When the Veteran makes a request by email or letter to the original lender, the new lender should provide the Veteran their VA Lender ID number along with a lender point of contact's name, email address, and phone number for insertion in the email or letter.

Down Payment / Equity Requirement

Asset Verification: The veteran or spouse must have sufficient cash to cover assets that are needed to close and those funds must be verified.

Down Payment and Cash Required to Close:

- Down payment/equity is required when the VA Guaranty does not equal 25% of the lesser of the sales price or Notice of Value (NOV). The VA Calculator worksheet should be completed on every loan. The calculator assists in calculating any required down payment from the borrower on purchase or refinance transactions. Regardless of the loan amount, the VA guaranty plus the Veteran's down payment and/or equity must always be at least 25% of the lesser of the sales price or (NOV).
 - VA Calculator Loan Amount > \$144,000
 - VA Calculator Loan Amount <= \$144,000

Gift Funds

- · Gift funds are allowed for down payment and closing costs
- Gifts may not be used for reserves
- Gifts of equity are not allowed

A gift can be provided by a donor that does not have any affiliation with the builder, developer, real estate agent, or any other interested party to the transaction. A gift letter must:

- · specify the dollar amount of the gift,
- include the donor's statement that no repayment is expected, and
- indicate the donor's name, address, telephone number and relationship to the borrower

The underwriter must verify that sufficient funds to cover the gift have been transferred to the borrower's account, or will be documented as received by the closing agent at time of closing. Acceptable documentation includes the following:

- · evidence of the borrower's deposit of the donor's funds, or
- a copy of the donor's funds by check/electronic transfer to the closing agent, and
- the CD showing receipt of the donor's funds

Eligible Fees

VA regulations limit the fees that the veteran can pay to obtain a loan. If the veteran was charged an ineligible fee(s), the fee must be refunded and the loan file must contain adequate documentation that the fee was refunded to the veteran.

Fee Recoupment on Type I Refinances:

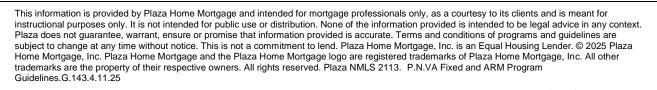

For all Type I Refinances made to refinance an existing VA-guaranteed loan, the recoupment period of all fees (excluding the VAFF), closing costs, expenses (other than taxes, escrow, insurance, and like assessments), and incurred costs must not exceed 36 months from the date of loan closing. This requirement does not apply to Type II Refinances.

Recoupment Calculation: Divide all fees, closing costs, expenses, and incurred costs (excluding taxes, escrow, insurance, and like assessments), by the reduction of the monthly principal and interest payment as a result of the refinance. If the loan being refinanced has been modified, the principal and interest reduction must be computed/compared to the modified principal and interest monthly payment. VA allowable fees offset by lender credits and/or premium pricing may be excluded from the recoupment calculation.
