<b>Borrower Eligibility</b>	The borrower must be an eligible Veteran.																																																										
<b>Borrower Loan Fees and Costs</b>	<p><b>Fees and Charges:</b> VA policy has evolved around the objective of helping the veteran to use his/her home loan benefit; therefore, VA regulations limit the fees that the veteran can pay to obtain a loan. For a list of eligible fees and charges refer to Plaza's <b>Veteran Borrower Paid Fees &amp; Charges Policy</b>.</p> <p><b>Discount Points:</b> Regardless of the amount of discount points the LTV/CLTV is capped at 90% for refinances.</p> <p><b>Note:</b> If the veteran was charged an ineligible fee(s), the fee must be refunded and the loan file must contain adequate documentation that the fee was refunded to the veteran.</p> <p><b>Renovation Related Fees:</b> Refer to <b>Maximum Renovation Related Fees</b>.</p>																																																										
<b>Calculating the Mortgage Amount</b>	<p>The lesser of the as-completed value or the acquisition cost is used when determining the maximum loan amount. On either a purchase or refinance, if the acquisition cost exceeds the as-completed value, the difference must be accounted for in documented borrower funds at closing. The loan amount is limited to eligible costs and cash back to the borrower is not allowed.</p> <p><b>Purchase:</b> To determine the acquisition costs for a purchase, add the following: Contract sales price, total cost of alterations and repairs, contingency reserve, inspection fees, title update fees, and permits.</p> <p><b>Refinance:</b> To determine the acquisition costs for a refinance, add the following: Existing loan payoff, total cost of alterations and repairs, contingency reserve, inspection fees, title update fees, and permits.</p> <ul style="list-style-type: none"> <li>• Cash-out to the borrower at closing is not allowed; however, incidental cash-out at closing not to exceed the lesser of 1% of the loan amount or \$2,000 is allowed.</li> <li>• At the completion of renovation any unused contingency reserve may be returned to the borrower or applied to the principal balance at the borrower's discretion.</li> </ul>
