Important Terms

Please familiarize yourself with the following terms that you need to know about the FannieMae HomeStyle Request for Advance process:

Holdback Funds	<p>As indicated in your Construction Contract form, there will be a 10% holdback on each Request for Advance. This amount will be deducted and held in the Repair Escrow Account until the entire project is complete. For example, if \$1,000 is requested, Plaza will issue a check for \$900. The \$100 difference will remain in the Repair Escrow Account.</p> <p>All monies held back will be released after all work is complete and Plaza has ensured the property title is clear of any liens.</p>
Consultant Inspector	<p>An individual who is also referred to as a Consultant Inspector, Fee-Consultant, Cost Consultant or Rehab Consultant. Your Consultant is the person who processed your Initial Work Write-Up/Specification of Repairs. It is your responsibility to contact your Consultant when you require an inspection. He or she will also help guide you through the rehabilitation process.</p>
Contingency Fund	<p>This reserve of funds is held in the Repair Escrow Account for the purpose of covering unplanned repairs that become necessary due to health or safety issues.</p>
Change Order	<p>Any cost overruns, changes involving the contractor, type of work, architectural exhibits, engineering plans, quality of materials or amount of materials and time to complete that differ from your original bid. All changes from the original bid must be submitted to Plaza for approval on the FannieMae HomeStyle Change Order Request (Form 1200).</p>
Repair Escrow Account	<p>Funds for your renovation project are held in an interest-bearing escrow account insured by the FDIC. The funds are released to you and your contractor(s) for repairs based on the original appraisal, work write-up and contractor bid(s).</p> <p>Included in this account are funds to pay for planned repairs, contingencies, inspections, title updates, mortgage payments and other miscellaneous fees.</p>
Unused Contingency Funds	<p>Any unused contingency funds after the final release has been processed will be applied to the principal balance on your loan. Please note: contingency funds are not part of the holdback funds.</p>
Consultant/Lender Modification of the Request for Advance	<p>When your contractor submits the Request for Advance Package (Step 1), both your Consultant and/or Plaza may adjust the amount requested, if appropriate. You will be notified of any modification to the draw request. Modification may occur if a contractor requests payment for materials prior to installation or requests payment in excess of previously agreed-upon amount and does not submit a FannieMae HomeStyle Change Order Request (Form 1200).</p>
Mechanic and Materialman's Lien	<p>These liens are a form of collateral that ensures payment of a debt. Contracts for home improvement work often allow contractors to place a lien against the title of the property in the event they are not paid. If your property has a lien against it, you will not be able to sell or refinance the property until the lien has been cleared. Plaza will request a lien search prior to your final disbursement to determine that the property is free of work-related liens, however Plaza cannot guarantee the property will be free of all mechanics and materials liens at the time of your final disbursement.</p>
