**Plaza Hires Eric Macwan for New Position
Vice President, Chief Information Officer**

San Diego, CA – April 19th, 2017 – We are pleased to announce that Eric Macwan has accepted the new position of Vice President, Chief Information Officer with Plaza Home Mortgage, Inc. In this new role, Eric will be responsible for strategic planning, oversight and continuous improvement of Plaza’s technology efforts. In addition, Eric will oversee the project management and business continuity areas of the business.

Eric brings over 15 years of experience working in IT within the health care and real estate industries. Prior to accepting the position with Plaza Home Mortgage, Eric served as Chief Information Officer and held senior leadership positions in Information Technology. Eric has earned his MBA in Business Management and Information Technology and a B.S. in Computer Science, and has been nominated for the 2017 Top Technology Executive Award by the San Diego Business Journal.

“Eric brings diverse experience and a proven track record of success in the information technology area, which will be invaluable in meeting Plaza’s goals and objectives,” said Michael Fontaine, EVP, chief financial officer. “Eric is an accomplished and technologically advanced IT professional that we’re excited to add to our executive team.”

About Plaza: *Plaza is a privately owned, full-service Wholesale and Correspondent Mortgage Lender founded in 2000. Headquartered in San Diego, California, Plaza maintains Operations Centers and employs associates nationwide.*

The company offers a variety of simple, affordable options designed to meet the needs of the majority of brokers, correspondents and borrowers. Plaza is dedicated to building quality, long-term relationships with its clients by offering comprehensive programs and exceptional customer support.
