PLAZA HOME MORTGAGE DONATES \$11,955 TO RED AUTISMO

SAN DIEGO, Calif., – June 24, 2020 – Plaza Home Mortgage, Inc[®], one of the nation’s leading wholesale and correspondent mortgage lenders, announced today it has donated \$11,955 to Red Autismo, a Los Cabos, Mexico-based non-profit organization that provides alternative treatment options to children with Autism Spectrum Disorder (ASD) and support for their families.

The donation was based on a percentage of the total loan production of Plaza’s 2019 Select Circle members, the company’s highest-producing wholesale and correspondent account executives. This year, the winners were planning to attend an awards trip in Cabo San Lucas. Due to the COVID-19 pandemic, the trip was cancelled, but Plaza still wanted to give back to the community that would have hosted its event.

Donations, like Plaza’s, have helped Red Autismo provide early intervention, physical and occupational therapy services to thousands of children and their families in their innovative Therapy Center. The organization also offers sensory integration services, speech and communication therapy, cognitive and learning skills and workshops for parents and school counselors.

“This is the third year that Plaza has donated to Red Autismo. It’s an honor to continue to support this important organization and to give back to the Cabo San Lucas community,” said James Cutri, Co-Founder and Vice Chairman of Plaza Home Mortgage. “We hope that our contribution to Red Autismo will help further its critical mission of providing therapeutic, educational and support services for children with ASD and their families, especially during these challenging times.”
